Multilingual volunteering at MiB - join active workshop

Greetings from MiB office, where we currently prepare a smooth change from the project-lead English active work into multilingual 'MiB style' active work. This new normal is needed when MiB International project will end in August, 2024. What will the future and this change bring to us?

MiB aims to arrange English or multilingual activities by our wonderful mothers and volunteers also in the future. At the same time, you can broaden your networks with skilled and fun Finnish mothers. **Please come along and plan for this in our live workshop in Helsinki on April 18th.** We would like to meet you in person and start mixing the groups!

The workshop will start with one of our actives, **Salli Joutsenoja** and a career related task, where we can all dive into our own professional journey. Salli is a recruitment professional and a mother passionate about producing inspiring activities for mothers. We hope to see you all at our session!

Active seminar coming up

MiB's annual active seminar will gather the volunteer community under the same roof in **Helsinki on 25th May**, to network and create wonderful things together. The day will be full of conversations, connections and fun! Please check our [program](#) and register soon.

You can join with your kids and in case you are coming from another city, we will compensate for your travel expenses. **In case you wish to take part in planning the seminars' English program, please contact tuovi.bresnahan@mib.fi.**

Actives moving to local chapters

During this spring, MiB welcomes all the English actives into our local chapters. We hope that you get to know more Finnish volunteers and can grow your network.

Our work is to make you feel welcomed (mainly to Uusimaa and Pirkanmaa chapters but others, too), and we will do our best in this!

At our website you can learn [more about the upcoming change](#) and our local chapters.

If you would like to meet another volunteer from your local chapter with potentially similar interests, please contact helena.kyttala@mib.fi and we will help you find your way.

Thank you for your patience during the change period!

Skills badges: Validate your skills!

When you do volunteer tasks at MiB, you can gain a skills badge. **This badge can be added on your CV or LinkedIn profile to show your valuable work.** With a badge you can prove your experience in event management or leadership - or both. Read more about the badges and how to get them:

Become a MiB member

To make MiB's English and multilingual community stronger, we encourage everyone to become MiB members. The more English members there are, the more impact we have as a multilingual and multicultural community. If you one day find that you are too busy to volunteer, you can still support the work that the moms do together. Thank you for joining and supporting the cause!
